

REMARKS

Applicant, in this Preliminary Amendment, has amended the claims as originally filed in PCT Application No. PCT/CA2004/000406 to eliminate improper multiple dependent claims to conform to National Phase Entry in the United States and to further define Applicant's invention.

If the Examiner has any questions, he/she is respectfully requested to contact Applicant's Agent, Kitt Sinden, collect, at 905-771-6414, at his/her convenience.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Kitt Sinden", written in a cursive style.
